Standing Orders

To set up a standing order, please set up a recurring payment (of the total amount shown on the front of the form) to be transferred to our account above, on **3rd January** annually.

Each membership subscription covers one calendar year. If you are joining between September and the end of the year, your membership runs until the end of the following year, and your first annual payment is due at the start of next year. If you are joining before September, please make a single payment now, and continuing annual payments from the start of next year.

100 Club

The 100 Club is a monthly lottery that is run by the local group to raise money for the RSPB and provide cash prizes to subscribers. Each lottery number costs £10, which is then allocated to you for the year, so you have at least 12 chances of winning a prize. You may purchase as many £10 numbers as you like.

Rules

Participation

The club is registered as a lottery and membership runs from March to February of the following year. Anyone can participate in the 100 club; you do not have to be a member of the Exeter & District RSPB Local Group. Each participant is allocated a unique number for the duration of the year and each month a draw is made with the winners being announced in our Newsletter.

Draw

There is one winner every month, winning a £25 cash prize. In addition, an extra prize winner is drawn at the Annual General Meeting, making two £25 winners for that month. In the final month of the draw, the amount and/or number of the prizes will be adjusted so that the funds are split equally between prize winners and the RSPB.

RSPB benefit

The draw raises money for the local group, which is part of the RSPB charity. From the money raised we deduct a small administration fee (for the licence and postage), and the remaining amount is divided equally into prize money and money for the charity.
